Do not pitch Mary Evans (WYSO ReEntry Stories creator) — deceased June 2025. Route to Will Davis / communityvoices@wyso.org. Dayton Daily News Community Impact Editor role eliminated Jan 2026 — use WYSO or ddnnews@coxinc.com.

Media list expansion strategy

For the Media Relations Manager — three adjacent sectors to expand next:

- Second-chance hiring / workforce DEI** — HR Executive, SHRM, WorkingNation. Joey's hiring philosophy and St. Dismas pipeline are HR-policy stories.
- Faith-driven business leadership** — Christianity Today Business, Relevant Podcast, Praxis Journal. Lead with operational ethics and second chances, not exclusively religious framing.
- DTC telehealth / GLP-1 access economics** — KFF Health News, Modern Healthcare. Amble Cares (up to 50% lower GLP-1 cost) is a policy hook for reporters who won't touch felony arcs.

Conversion & friction reduction strategy

1. **Headline-style subject lines** — e.g. EXCLUSIVE: Felony to \$1B — Ohio founder bootstrapped telehealth on \$8K credit card, zero VC
2. **4-bullet pitch block above the fold** — Hook · Proof points · Offer (interview, program access) · Ask (15-min call?)
3. **Link assets, never attach decks** — One-page fact sheet, founder photos, joeystiver.com on first touch.
