

Amble med kits — partner pitch assets for review

Client: **Amble**

Date: **2026-07-03**

8 kits · 3 image sets · 48 PNGs

[← All Amble reports](#)

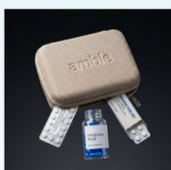

Purpose: Internal legal and compliance review of partner pitch image variants for Amble's eight prescription med kits. Each kit has two collateral images — **conditions covered** and **top medications** — shown in three copy variants below for approval before affiliate or influencer outreach.

These images are draft partner collateral. Prescription medications require provider approval and are not a substitute for emergency care or routine medical treatment.
