Executive summary

This report extends the **existing GLP TikTok affiliate source list** with **48 TikTok lookalikes**, plus Instagram and Facebook cross-platform mapping for current affiliates and **22 new IG/FB prospects** for Gimme Care's compounded semaglutide/tirzepatide affiliate program. Research updated 2026-06-29.

Handoff sections exclude all creators in the internal contracted + outreached tracker (updated 2026-06-29). Section 1 retains the current affiliate reference cohort from the source sheet.

Ranking method: Outreach priority uses weighted engagement on the best available video snapshot: **views (4×) → likes (3×) → comments (2×) → shares (1×)**, then multiplied by content-fit score (1–5) for GLP-1 journey / mom-lifestyle / nurse-educator alignment.

Top 5 TikTok outreach: @simidoctors · @itsmekelsc · @mrskariclarck · @bossfidence · @drashleypower
Top 5 Instagram outreach: @lifewithjesnicole · @elizajane1983 · @highvibemari · @britt_tashay · @missgreeneyes15

Section 1 — Existing influencers (source sheet)

Reference cohort from the internal tracker. These creators intentionally overlap the spreadsheet's current-affiliate list.

Outreach playbook

- **Offer:** Gimme Care compounded semaglutide/tirzepatide — co-branded intake link + affiliate rev share.
- **Angle:** Pair journey creators with nurse/MD educators for trust + conversion.
- **Compliance:** No medical claims in creator copy; link to licensed intake only.
