

Amble — GLP-1 outreach: journalists, PR & podcasts

Client: **Amble**

Date: **2026-07-06**

50 journalists · 16 podcasts · 13 affiliate/commerce

[← All Amble reports](#)

Seed profile: [Airtable Research](#) (644 pitched journalists). All targets below are **net-new** vs that list. Pitch angles to be added later. Route GLP-1 traffic to dedicated LPs — not the generic homepage.

Download full outreach CSV

Three sections in one file: Journalists, Podcasts, Affiliate/Commerce — separated by header rows.

Download CSV

Journalists — lookalikes (50)

Health/wellness commerce, weight management, HR benefits, and clinical health reporters matching the pitched-list profile. Deduped against the full Airtable export.
